

March 2026

Zambia Ministry

Please, pray for our ministry in Zambia. Next month, we are going to Zambia with Kep and Debbie James, to visit ESI small groups in Zambia, April 13 – 15th and Zimbabwe, April 16 – 18th. Pray that Kep and Debbie will be encouraged as they encourage pastors in ESI small groups to continue to gather together to encourage one another. Pray for safety in travel and pray for the success of ESI in Zambia and Zambia. After the first ESI leader died, the groups struggled, but by God's grace, we started over and now we thank God for Isaac, who is the new ESI leader in Zambia. Pray for him for success. After visiting the small groups in Lusaka and Harare, Isaac will travel with us to visit Harrison and the ESI small groups that he leads in Kasempa. Then, we will visit the ESI small group leaders on the Copperbelt.

Before and after visiting ESI small groups, we will go to Kasempa, to visit our school for young children and conduct a spring vocational Camp, since children will be on vacation. Pray for spiritual growth of the children there in Zambia, as we do our part to disciple them. Pray also for other ministries that we have in Zambia.

For several years now, we have been building a facility where young adults in the community will come and learn a skill that they can use to be able to provide for their families.

Ministry in the States

We are thankful to God for continued outreach in Public Schools through the Bible Clubs. There are about 107 children that we minister to, on a weekly basis. The children have such love and interest in reading God's word for

themselves. The moment the teacher opens the Bible to read the scripture, the children rush to find it, and they help each other to find the scripture, then they begin to read along with the teacher. We thank God that at this tender age, they are laying the foundation of loving God's word.

Please, pray that when they grow up, they will not depart from it. Proverbs 22:6.

Pray also, that we reach the parents and families through this outreach.

And please, pray that we reach the teachers and other workers in these school buildings. We have had the opportunity to give the Parkside New Testament to parents and school administrators. Pray that God will use these tools for people we are reaching to become committed followers of Christ.

We thank you for your prayer. We pray that the Lord will bless you and keep you.
